Project: Design Consultancy Services for the School Development Project in Al Yarmouk District –
Riyadh

Authorization Letter

Dear Sir,

Datwyler is a global player in the development and manufacture of products and solutions for the IT infrastructure in data centres and intelligent buildings, as well as for fibre networks.

We support **M/S Eshraq Al-Jazeera Technologies Company**, our authorised partner, in supplying and installing Datwyler ICT system materials for the above project.

Feel free to contact us under signed for further information.

Yours faithfully

Datwyler IT Infra Solutions LLC
